

MYDDLE, BROUGHTON & HARMER HILL PARISH COUNCIL

MISSION STATEMENT:

The Council's aim is to:

- (a) **Maintain a cost effective service that provides a pleasant, safe and clean environment for residents of all ages.**
- (b) **Create an environment and ethos which is inclusive, welcoming and caring and which:**

Helps young people to develop

Enables families to thrive and

Cares for those in need of help,

in order that everyone feels that the Parish is a good place to live.

OUR OBJECTIVES:

We will:

Maintain strict budgetary controls and ensure that adequate insurance cover is in place.

Endeavour to raise grant aid from varied sources to enable additional developments to take place.

Work closely with Shropshire Council, the Governors and Management team of Myddle School in providing a first class learning environment for children.

Maintain and where appropriate, improve street lighting throughout the parish

Work closely with representatives of Shropshire Council's Youth Service to identify and where possible, meet the perceived needs of young people.

Work closely with Shropshire Council's Community Regeneration Team to identify projects and possible additional funding.

Maintain the play area facilities to a high standard.

Encourage young people to become actively involved in activities which improve the environment and to participate in Council activity.

Work in partnership with the police service to provide an environment which is safe for all residents.

Encourage residents to attend Council meetings and become involved in Parish developments.

Work closely with the Planning Authority to monitor possible development in the Parish and involve residents in this process.

Work in partnership with Shropshire Council's Highways Department to ensure that roads and footpaths are maintained to an acceptable standard and that measures are taken to control vehicle speed throughout the parish.

Consider and where possible, activate issues raised in the Community Led Plan and continue to consult with residents about issues which affect them.

Work closely with and grant aid Village Hall Committees, to enable them to provide clubs and recreational facilities for residents of all ages and promote activities which encourage community involvement.

Work with the local Church Councils in the provision of well maintained burial grounds.

Support local residents in the maintenance of the area's public footpaths, bridleways, etc.

Support local residents in the collection of litter and help to maintain a clean and pleasant environment.

To listen to concerns and issues raised by members of the Parish and assist and guide them to help resolve those issues.
