## **Freedom of Information Act.**

Under the Freedom of Information Act it is the duty of every public authority to adopt and maintain a publication scheme. Publication Schemes facilitate the proactive release of information and play a crucial role in supporting and providing greater openness and transparency across the public sector.

## **INTRODUCTION**

### **The Freedom of Information Act**

The Freedom of Information Act grants to members of the public rights of access to all kinds of recorded information held by a wide range of authorities. Information about the Act is available from the Information Commissioner's Office at [www.ico.gov.uk](http://www.ico.gov.uk).

### **Publication Scheme**

The Act requires every public body to adopt and maintain a generic model publication scheme. Myddle and Broughton Parish Council has adopted the generic model publication scheme and it is intended to provide everyone interested in the Council with a comprehensive guide to information that the Council will automatically and routinely publish or otherwise make available to the public.

### **Freedom of Information Requests and the Publication Scheme**

The publication scheme sets out the information that is routinely available. Information that is not listed in this document can still be requested and it will be made available unless it can legitimately be withheld. This may be done by making a written request to the Parish Clerk who will reply within fourteen working days.

### **Model Publication Scheme**

The model publication scheme has been prepared and approved by the Information Commissioner and may be adopted by any public authority. Myddle, Broughton & Harmer Hill Parish Council will indicate clearly what information is covered by the scheme and how it can be obtained. The purpose of the scheme is to make the maximum amount of information available at minimum inconvenience and cost to the public.

If you believe that your request has not been dealt with fairly and cannot be resolved satisfactorily on an informal basis, you should follow the Council's complaints procedure.

If you have followed the complaints procedure and are still not satisfied with the outcome, you may also contact the Information Commissioner Office and ask them to investigate the matter further.
