## **7. Producing a Parish Plan**

The Chairman welcomed and introduced Ruth Mansfield, who proceeded to give an interesting and informative talk on Parish Plans. She pointed out that these were now called Community Led Plans and although the Council would be fully involved, they should be community based Initiatives indicating what the community wished to see developed over a number of years. A grant to assist in the development of the plan was available from the Community Council and she and the Community Council would give help in its production. There was a considerable amount of work involved and it could take up to eighteen months to produce the plan, which would then be sent to the Parish Council and Shropshire Council for adoption. The first step was to set up a steering committee to undertake the work.

After Ruth left the meeting, there was considerable debate about the need for a plan and it was agreed by a majority vote to go ahead with an attempt to set up a steering committee and to hold a meeting in Myddle Village Hall on July 6<sup>th</sup>. at 7.30pm. Councillors were asked to encourage members of the community to come to the meeting and become involved.

It was agreed to print a handout and ask for this to be delivered with the Messenger. The Chairman agreed to do this and Mr. Heath said he would print them free of charge.

Clerk was asked to book the Village Hall; inform the absent Councillors of the decision and invite Ruth Mansfield to the meeting.

## **8. Chairman's Closing Remarks**

The Chairman closed the meeting by thanking everyone for their attendance and stating that he hoped that the meeting on July 6<sup>th</sup>. would be successful.
