26/06 Minutes from the meeting held on 4th. March 2026.

The minutes of the meeting were approved and signed by the Chairman as a true record.

26/07 Matters Arising from that meeting:

(a) Affordable Housing Project

It was confirmed that Shropshire Council had decided not to support the proposed plans for affordable housing on land adjacent to Godings Lane. The land owners had been informed that the Council still wished to lease part of the land for the Children's Play Area, but would prefer a long lease to enable grants to be obtained for future development. To date, no response has been received.

(b) Mirror on the A528 at its junction with the road to Newton on the Hill:

The Chairman confirmed that permission had been given to erect a sign and that one had been put in place.

(c) Lower Road, Myddle – Traffic Concerns:

Mr. Graham Downes (Head of Shropshire Highways Dept.) had met with Councillors on site to identify the problems and had agreed that the installation of lay-bys would help to improve the situation. Further details were now awaited.

At the same time, he visited The Pines, Harmer Hill and agreed to the request for a warning sign at the exit onto Lower Road.

(d) Myddle Recreation Ground and Woodland Lease:

Shropshire Council had agreed to offer the Council a 99-year lease on the land, and this had been accepted, and the documents were now with Shropshire Council's legal department for completion. As soon as everything was signed, grants could be sought to improve the Children's Play Area and the Woodland.

(e) Myddle Church – request for financial support.

Councillor Miller had forwarded a written paper outlining the problems facing the local Church and gave further details to Members, which instigated detailed discussion. As no decision appeared to be possible, the Chairman suggested that Members should take time to consider whether and how grants could be made and discuss it again at the next meeting.

26/08 Urgent Issues raised in the Public Meeting held earlier:

The only issue raised had related to the planning application at Webscott, Myddle, and this had already been recorded.

26/09 Correspondence Received:

Members considered details of the correspondence received by the Clerk since the last meeting, and where appropriate, responses had been or would be made.

26/10 (a) Accounts for Payment:

Payment of the following accounts was approved:

Violence/Sexual Offence (Hillside).

Councillor R. Jones reported that recently there had been several burglaries in the area.

26/13 Parish Plan

It appeared that Councillor Jackson, who had proposed the compilation of a new plan, had not received the correspondence regarding Parish Plans which had been sent out by the Clerk. As a result, further discussion was deferred to a later meeting.

26/14 Project Up-dates:

(a) Myddle Play Area Upgrade:

Still awaiting confirmation of the new lease.

(b) Tree Planting:

This project was also on hold until the details of the lease were confirmed.

(c) Charging Points:

Councillor Miller, who had suggested the installation of one in the Parish, stated that it was not a feasible project.

26/15 Community Led Reports:

(a) Housing:

No further issues were raised

(b) Traffic and Transport:

Councillor Andrews stated that he was disappointed that there was no up-date of the request to reduce the speed limit on Wem Road to 30mph and asked that Shropshire Councillor Sarah Marston should be asked to look into this when she returned from her leave.

There was further discussion about speeding traffic, and the following requests were made:

(a) Shropshire Highways Department to be contacted to see if they would approve the erection of a VAS Unit at an agreed location on the Wem Road.

(b) The Safer Road Partnership should be approached and asked to consider setting up a new Community Speed Watch Team with several Members stating they would like to get involved.

(c) Community Spirit:

The Chairman reported on the successful Litter pick when volunteers had given up their time to keep the Parish looking tidy, and also the support being given to residents who were keen to learn how best to use their computer and/or smartphone.

Councillors S. Hammond and G. Miller reported on a range of events being held in the Village Halls, including Harmer Hill Village Show, The Dog Show, and a new venture in Harmer Hill, where the Hall would be open to everyone on Thursday mornings, where there would be light refreshments available with access to games, puzzles and general discussion.

(d) Business and Farming:

No issues raised.

26/16 Exchange of Additional Information:

Additional Agenda Items for the June meeting:

Approval of Audit Documents.

Issues needing urgent attention
