24/80 Minutes from the meeting held on January 2nd. 2025.

The minutes of the meeting were approved and signed by the Chairman as a true record.

24/81 Matters Arising:

(a) Affordable Housing project (24/64(a)).

The Chairman suspended the meeting to allow Mr. Russell Purslow to make a statement.

Mr. Purslow said that following discussions with representatives of STAR housing he was pleased to report that the issue about the re-sale of the properties had been resolved and the work could go ahead as a Community Led Project. This meant that a Committee made up of Councillors, local residents and Shropshire Council representatives needed to be formed to oversee the development.

The Chairman proposed that Mr. Purslow should Chair this Committee and this was unanimously supported by Members. It was further agreed that no action should be taken until the new Councils were elected in May.

(b) 'Welcome to' Signs (24/64 (b)).

It was noted that the order had been placed with Evans Construction Ltd. at a cost of £9,960.00 (+VAT), part of which would be paid from the Community Infrastructure Grant. Cllr. A. Harris was liaising with representatives of the Company and was thanked for overseeing the project.

(c) Myddle Church Clock (24/64(c)).

Councillor G. Miller reported that the repairs to the clock were underway and should be completed by the end of the week. It was confirmed that the Council would be making the agreed contribution to the overall cost of the work.

(d) Tree Maintenance (Myddle Wood) (23/64(d))

Following lengthy discussions with interested parties, agreement had been reached to fell the trees that were likely to cause problems to residents living in houses within the wood. Felling by Access2Trees was planned for the 17th & 18th. March at a cost of £1,500.00 (+VAT).

(e) Myddle Village Hall Car Park (24/64(e))

Cllr. G. Miller reported that the Village Hall Committee had obtained a quotation from Allmarks Ltd. for the work and were awaiting a further quotation. The Village Hall Committee had received a grant of £12,000 from the lottery fund towards the cost and Members approved a contribution of £10,000 from the Community Infrastructure Grant, which meant that the work could go ahead when a contractor was confirmed.

(f) Harmer Hill Reservoir 24/64(f))

It was noted that the Chairman had sent a full report on this problem to Helen Morgan MP and she had contacted Shropshire Council raising her concerns but had received a reply giving the same response received by the Parish Council.

It was agreed that a further letter should be sent to the Enforcement Officer expressing the deep and continued concern about the lack of action.

(g) Harmer Hill Footpaths (24/72)

It was reported that the people who had purchased the woodland containing a number of footpaths were giving every assistance to ensure that the paths were retained and maintained although some work still needed to be carried out. Every effort would be made to conduct discussions in a considered and helpful way to the benefit of the owners and the public who wished to use the paths.

(h) Myddle Youth Club

The Chairman outlined a range of issues that had occurred since the organisers of the Youth Club had decided to close the club just after Christmas, stating that they were unwilling to increase the fees for the young people who attended and the increase in the Village Hall rent meant that the Club was no longer financially viable. They had agreed to re-fund £125.00 of the grant that had been made by the Parish Council.

A new group of people had indicated that they were prepared to re-start the Club after the Easter break and had approached the Parish Council for a grant of £600.00 to cover the start-up costs. After discussion and consideration this was unanimously approved as it was felt that this was essential provision for young people.

(i) Council Elections.

Details of the Election taking place on May 1stnd. were issued to Members, together with Nomination Packs for those wishing to stand for election again. At least four Members would not be seeking re-election and efforts would be made to encourage other residents to put their names forward.
